TO: ALL DISTRICT MANAGERS
ALL STORE MANAGERS

RE: CIGARETTE PROGRAM

Attached is a write up of our new Cigarette Program. It is a MANDATORY Program, as written, and we must receive 100% follow through and implementation in every store.

Since it is difficult to identify all situations within SuperRx, if your store layout is different from the attached schematics, please ask your District Manager to contact Dave Coleman for guidance.

Thank you for your fine follow through.

George Dozier
Vice President
Marketing

Harold Certain
Vice President
Operations
